ConClassifieds.com Looking for Christians for Rock Cover Band (MontcoBucks)

Location Pennsylvania https://www.genclassifieds.com/x-398965-z

I'm a Christian bassist that is looking to form a cover band (maybe some originals too!) to play in bars and clubs throughout the Philadelphia area. I've been a pro bassist in the philly scene for many years and played in most of the agency and non-agency rooms, etc. For my next go around I'd like to put together a band of like minded Christians with a goal of reflecting the gospel to folks in settings that they possible would never be exposed (i.e bars, clubs, etc).

If this sounds interesting to you let me know. I'm looking for:

- 1) Sinners
- 2) Saved by grace
- 3) People not weirded out about being in a bar or drinking a beer
- 4) Ok playing "secular" music. Music would be a blend of modern rock and classic rock covers
- 5) ideally people in the 30-40 years old range
- 6) sense of humor
- 7) serious musicians (no Beginners)
- 8) any instrument but bass (that's me)
- Contact me for more info!!
