Customer Service Auditor Opportunity (Green River Rock Springs)

Would you like to earn some extra income and help improve the Green River and/or Rock Springs community?

We are performing an ongoing unrevealed mystery shopping program at your local grocery stores and are looking for some reliable field agents to help us complete the projects.

You will receive a total of \$30 in compensation for about an hour of your time, per project PLUS distance reimbursement. In turn, you are helping make your community better because the results of the shop go directly to the management team of the store.

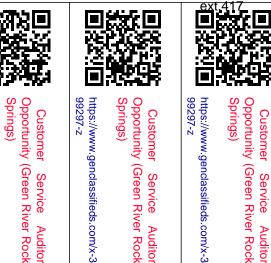

This is a great way to earn money as an independent contractor, NOT an hourly position. We issue payments every month on the 5th and 20th.

If you are interested, please reply to this email with your contact information and "Wyoming Mystery Shopping" in the subject line. I will be happy to send you more information about this opportunity and our company.

Thanks for help in advance and I look forward to working with you soon, Dmitry S.
