I'm a 33 year old punk/metal guitarist lookin to find a drummer and jam, I grew up in Southern California so I'm only influenced by bands I grew up listening to from there like adolescents descendents pennywise youth brigade pennywise strung out no use for a name agent orange millencolin bad religion...also willing to join an established band.. jst want to jam i was in a band for awhile out here nd played many shows and miss it..have professional equipment with a professional sound...wouldnt mind doing covers either.. also have my own house so we can jam here if needed

thx
