I'm looking to sale my 2001 Kawasaki KLR-650, has just been serviced, has 19,700 miles, good Avon rubber with 85% tread left. Had custom made aluminum pannier side boxes that are keyed alike. The plastics have been professionally rhino lined for a more aggressive dual sport/ enduro. Has SW-Motech side crash bars that I just put on last year, answer bark busters on the handlebars and 666 Renthal bars. If you are looking for a bike that is road ready look no further. \$2000 cash or best serious offer, sold on bill of sale. Bike has absolutely no liens is free and clear. I took the bike in on a trade a little over a year ago and changes in family circumstances have requested for me to continue in life on 4 wheels only. I have some pictures I will be adding, if you are intrested send me a message and I'll be glad to email or text them to you. Please no low ball offers, I do not need any assistance selling my bike. Feel free to contact me through craigslist. !
