I have a patriotic blue 2002 Dodge Ram Quad Cab 1500 SLT 4X2 for sale. It has 175k, custom factory leather, p/w, p/l, cruise, tilt, sliding rear window, tow package, bed liner, single disc cd premium stereo, 4.7 liter w/ K&N air filter, short bed, 20" Dodge Ram rims, chrome accessories, billet grill, new headlight assemblies w/ hyper blue light bulbs, etc.... I have owned this truck for approx. 6 years and I have always put the best oil(synthetic) and oil stablizer(lucas) in it at every oil change. This truck is strong; Its performance is right there with the Hemi. The Bad: cracked dash, needs some minor body repair, scratches, front end alignment. I know everything about this truck and I love this truck but I am ready to sell for the right price or trade for equal value around \$5k (lifted Truck/SUV 4x4 preferred ). Sale will come with original hood, grill, headlights, Taillights, 20" Dodge Ram wheel as a spare and spare wheel. If you have any questions contact me by email. I will accept offers. Good strong truck. Clear title on hand. Thanks for looking. God
