About the condo:  
It's a 2 bedroom 2 bath condo in Avondale Estates. It will be available after June 3rd. It's in a nice, safe, quiet complex that has a pool and tennis court. There's also Avondale Park nearby with a lake.

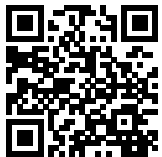

The condo is on the first floor. There's a fireplace and patio that leads to a grassy area. The available furniture has a black metal and has a wood attach.

\$500 a month, \$500 rent, utilities separate.

I have living room furniture but your room will be unfurnished.

Email me if you're interested or have any questions.

\*\*The pics of the inside of the condo are from another condo in the same complex that has the exact same floor plan (as pictured). I don't have pics of the actual condo yet as another tenant is currently living there. The condo I'm listing has hardwood.
