

## help in a small print shop (near i25 and evans)

Location **Colorado** https://www.genclassifieds.com/x-400144-z

I'm looking for somebody who knows adobe illustrator cs5 and is interested in lining up files and sending them to production machine like a wide formator and Xerox machines. also could use some help with silk screen processes. If you are looking to gain experience in silk screening, wide format printing, and printing process of flyers etc..... Please contact me back. can offer some cash payment but jobs are not full time more of a on call thing, send me a few sentences of your experience resumes are nice but not completely necessary!
