

# Ask, seek, knock...

Hola! My twin and I are searching LA and vicinity for a possible place to park our home-on-the-road, a super clean and well maintained Ford E350 MINI-bus, and as a "thank you", we'd like to offer our services free of charge.

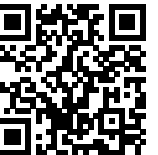

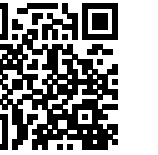

Our work includes the creation and distribution of our own zines/comics & documentary DVD's with the theme of challenging greed by working full-time for love (gospel based social activism).

We also enjoy doing other random FREE WORK projects as long as they don't impose themselves too heavily on our own work projects. A few skills to wow you with include:

- 1) Some mechanical work
- 2) Building repairs
- 3) Some plumbing
- 4) Interior & exterior painting
- 5) Limited gardening (which includes help setting up grey water systems)
- 6) And probably a few others I can't recall at the moment! :-)

So if you have a nice spot to park our little bus, e.g. driveway, street, random property, whatever...) and would appreciate some help with the aforementioned projects, let's get in touch! :-)

In love and peace,
