A rental car for 21 days is about \$1000.... Happy to chip in for car rental and gas plus split fees for home base cabin if you are another straight woman, couple or mom daughter duo looking for a Tour Guide.... I come with no drama, no drugs/alcohol and am a sourdough that makes a great tour guide/navigator. Awesome wild life photo shoots galore. Will be in Central AK May 15 - June 5. Let's Skype?

Handicap Accessible waterfalls, hot springs and water access points my specialty. Those with MCS or a handicaps welcome = we go at your pace. Let's.
