Clay Chimenea (300 USD)

<u>CenClassifieds.com</u>

Location Arkansas https://www.genclassifieds.com/x-400327-z

Fireplace on your patio?

Clay or stone, this chimenea is heavy duty!

Sits on an iron frame.

The only thing is that this item is much to heavy for me to move so anyone who is interested would have to come and load this baby up. If cash up front I'd be willing to go down on the price a.
