My name is Lauren "L" I am owner of Reminisce which is a fashion concierge specializing in ladies vintage fashion. Sunday June 21st I will have a few of my fashion pieces showcased in a Dance Recital. I am looking for female models who would like the opportunity to model my pieces in this show. This is a non paying opportunity but is beneficial for those wanting to get experience in modeling and who loves vintage fashion. It will be great exposure. If interested please send over a face shot and a body shot so I can get an idea of your.
