MODELS - MODELS- TFP (TIME FOR PRINTS) - BOSTON

Splizz Photography is all about allure and appeal. If you are a model in search for some prints that will truly capture not only your physical beauty but ooze with the beauty from within, let's talk. I specialize in boudoir and glam shots.

I recognize that everyone has beauty and encourage them to express that natural beauty for me when I take their picture. I do enjoy using unique settings, props and scenes, all of which add effect.

What I do is I use the technical capabilities of photography with an artist's eye to depict confidence, sexiness, beauty and courage in the photographs.
