## lost dog named Daisy (Park Ave)

Location **Connecticut** https://www.genclassifieds.com/x-400792-z

My husband serves in the U.S. Army (active duty) as a sergeant and we were just recently relocated out of the country. We have two dogs one of which is a female and my husband loves her dearly. My husband's parents have been taking care of our dogs until we're able to fly them over to be with us. but unfortunately yesterday afternoon our little Daisy got loose and has not been returned as of yet. She escaped from Henderson Drive in East Hartford. But we were told she was picked up by a young man who is driving a purple Jeep Cherokee on Park Ave. and prior to that we were also told she was spotted in the Shell gas station near by. She is a very friendly and lovable dog, she's about 20 lbs, light brown in color with a black muzzle, she has perky ears and brown eyes. if she is found she most likely will not have a collar on because she slipped out of her collar and that's how she got lost in the first place. but she is microchipped. we are offering a \$CASH REWARDS\$ for the person who turns her in. PLEASE, I BEG YOU TO HELP IN ANY WAY POSSIBLE TO HAVE OUR DAISY RETURN HOME!!! WE ARE WORRIED SICK! Anyone who has information can contact the East Hartford animal control. One of the officers have pictures and is looking for her. If you have any information at all or have seen her please let animal control of East Hartford know. Or contact me at
