

Installation of car audio equipment (Lincoln, NE)

Location **Iowa**
<https://www.genclassifieds.com/x-400908-z>

We are installing car audio equipment at a reasonable price that will be significantly cheaper than going to an actual car audio dealer. We have over 4 years experience installing for friends and family We are willing to travel to any 20 mile destination out of Lincoln for no extra charge so our customers to install so no need to worry about driving to us. Possible slight increase in pricing if greater distance is travelled. If customers would rather drive to our place than that works too. Prices Listed below:

Standard Head Unit: \$75 (Dealer Price: \$100)
Touch Screen Head Unit: \$125 (Dealer Price: \$175)
Subwoofer + Amp: \$80 (Dealer Price: \$125)
Any Head Unit +Subs and Amp: \$200 (Dealer Price \$300)

All wiring, adapters, and head unit harnesses must be supplied by.
