Looking for one or two younger persons to wait in line to hold 4 seats at the Century Link Center Would start at 12:00 A.M. Saturday the 2nd outside the Century Link Center, the doors open for the event at 7:00 A.M Saturday the 2nd. My client would arrive at 8:30 A.M. which then we'd give up our seats. My client may want to have someone come back during the lunch hour to hold their seats while they eat. I've been holding seats for this client for the last 10 years and require additional help to get the best possible seats. It's a mad dash, pushing and shoving once the doors open.

This job would pay cash. Reply if interested or if you have more questions. You would be given a credential which would allow you to get in to the event.

Here at the details of the event:
