I have for sale a 1994 Ford Thunderbird 4.6 liter V8, auto trans. This is the first year for the SN95 platform. It's a running driving vehicle, just cosmetics need work inside and out. It does need body work to the passenger side and some electrical needs addressing. I got it to work on but other projects now exist. I do not know actual mileage due to the odometer being broke but it had 80k when I purchased it. Motor runs great with no rattles or smoke and it will drive as is, shifts fine. Sunroof. Asking 900 obo with title in hand. Call or text
