

ISO house trained dog

ISO a house trained dog.
 I would prefer a female.
 Must like younger children as I have two.
 Please NO pit or mixed with pit.
 I love all animals but due to reasons I can't control I'm unable to have a pit or any dog mixed with pit.
 I'm looking for a breed that will stay under 30 lbs.
 I can afford a small re-home. No more than \$20.
 I'm able to send you pictures & keep you updated weekly or monthly after you give him/her to us.
 That way you know he/she is in a good home & taken care.
