Hello what I drive is a pretty black 2007 Nissan xtera fully insured it's an suv style and can sit up to four people five including me along with a large area for luggage I charge less then a taxi service I'm a fully licensed driver and a mother of two young children I am pet friendly if your looking for transportation of children and or pets we can do this I'm not handicapped accessible but will do my absolute best to accommodate if your looking for a designated driver I'm here casino trips I'm here family outing I'm here pick up from work I'm here someone to pick your children and and safely bring them home I'm here if you have transportation needs I'm here contact me at cheaper then a taxi I charge half of what they charge so instead off 3 \$ to start it's 1.50 and instead of\$ 2.25 a mile it's 1\$ a mile and my vehicle is nicer newer cleaner and just out right looks cooler then a cab drive in style and comfort at cheaper then a taxi!!! ( ps. It won't have the mud on the.)
