I have my Ford F150 for sale or trade. I'm looking for an extended cab truck or car. Let me know what you got. Truck has the black rims now.

My truck has 121k miles, automatic, 4.6 v8, brand new tires, tinted windows, Belltech 2" drop shackles, K&N filter, billet grille, bed liner, fresh oil flush and change, new coil packs, new radiator, upper and lower hoses, transmission mount, transmission filter and gasket, fuel injector cleaning, oxygen sensors, new pcV valve, and transmission flush. It's been a great truck, runs like a champ, would drive it across country but I need something with more room. Let me know what you have. Please only text or email
