

# Chair Massage for Your OfficeEvent (Raleigh)

Location **North Carolina**  
<https://www.genclassifieds.com/x-402314-z>

My company will provide excellent chair massages for your employee's or for your event.

We are all licensed with the state and carry our own liability insurance.

All you need to do is contact me with the date/time and how many participants and I can send you over a quote. There is a small deposit to hold the date but the bulk of the money comes after the event/party/employee appreciation day!

This is a great way for owner's to show how much they care about their employee's and it also can be used as a wonderful incentive for employee's to strive for. We've all heard of Casual Friday's or Manic Monday's? Both are a great opportunity to begin or end a work week with a massage.

We specialize in doing Barbers/Hair Stylist/Computer operators/ just about anyone that stands all day.

We only need a small break room to set up, usually the employee's sign up in advance and the schedules work out well with each massage. Most individual massages last between 10-15 minutes. The entire event normally last 2-4 hours. This would be based on a minimum group of 50 +. We recommend a visit twice per month or a consistent monthly visit at the least.

This is not very expensive yet it can help prevent so many injuries, shoulder aches, headaches, tension,

tight muscles from sitting all day and definitely relieve constant fatigue. You'll be revived and ready to go back to work with a renewed energy.

Reply all emails within 24 hours and we can exchange business information. I can quote you on pricing via phone or in person. I'll be glad to help you.

We look forward to doing an event at your business or for a special.
