

Quick and Easy QuickBooks Set

Location **North Carolina**
<https://www.genclassifieds.com/x-402327-z>

I will help you fast track steps A - D affordably:

- A. Help set up your QuickBooks system for your small business or non-profit from scratch/nothing.
(You do not need to have any accounting or financial management skills or experience)
 - B. Help you develop state of the art accounts & classes, ready for data entry & 1 click reports.
 - C. I will train you to do income and expense entry and bank statement reconciliation, PLUS
 - D. How to format, print & .pdf financial statements for your funders, lenders, board, partners.
- Let's get you report-ready and independent in a way that works for you!
