Hi there!

My name is Johanna and I have 5+ years of business experience. I come highly recommended by previous clients. I ran my own small business in Oregon.

I am available to clean houses and apartments for either weekly/monthly maintenance or for move out.

And I can run errands and do odd jobs as well.

I am available from 9am to 2:30pm Monday through Thursday and 9am to 5pm Friday and Saturday.

Offering specials for residents of Stoneliagh on May and Quail Landing. (More availability if at these properties)
