Bunk Beds for sale. Includes one mattress and two boxlike mattresses - not sure what the exact terminology is...(bunky boards??). These are fairly typical made of solid wood which appear to be honey finished pine. The under padding is not the smoothest on a part of one board, but could be rotated or lay other mattress (shown) over it . First \$70 takes these. The beds are disassembled and ready to go. Thanks.

Please do let me know if you have any questions. Regarding showing items: I will no longer hold or schedule a time to show items. Please call/text only when you are ready to come out and we will go from there. If you'd like, I will give you a timeframe when I believe I may be home.....but like everyone else.....no guarantees! First come first served! .
