Valley Worldwide Logistics Solutions

Valley Worldwide Logistics Solutions provides Freight Forwarding services for our customers import and/or export needs. Valley Worldwide Logistics Solutions is the international shipping side of Valley Express, Inc. Valley Express, Inc has been in business since 1979 providing reefer, van, flat bed, step deck, specialized, hopper bottom, & intermodal trucking services to its customers. Our intermodal division, our access to container fleet, and years of experience allows Valley Worldwide Logistics Solutions to provide a full service to our customers. We are NVOCC, Non-Vessel Operating Common Carrier, licensed. With our exceptional service & NVOCC license, we can provide the best rates for our customers needs to ship their products internationally anywhere in the world. Valley Worldwide Logistics Solutions has the means to provide dray & steam ship line service for any shipping means that our customers would have.
