iPod touch 5 for sale only selling because wanting to get an upgrade. This iPod is in great condition i have Never had any problems with it not turning on there are a couple minor scratches on the screen nut no cracks scratches aren't visable while screen is on. Also there are again minor dents but only on the back, speakers and headphones still work perfectly. There are 12.7 available gb. There is no back facing camera only front the picture above is exact model the only reason i didn't post real pictures is because i could get my photos on to my computer. Willing to lower.
