Looking for a few people to work this Saturday May 2nd for 8 hours doing miscellaneous tasks including cleaning out flower beds, putting down mulch, cutting grass, and misc cleanup. I will pay \$10 an hour cash. I will give a bonus if the person works hard and we get the tasks completed. There may be additional work on Sunday if you are interested. The work is in Berea and would be from 9 AM to 5:30 PM. I would prefer some one with some landscaping.
