

Need a camp site (Portland Area)

Location

Oregon

We are looking for a place to set up our tent and maybe use a little electricity. We are not lazy people. We work on the weekends. We can pay rent or help around your place. We are not looking for charity or a handout. We are tired of having to move around and so we are looking for something a bit more stable. Feel free to ask if you have any questions.

Thank you for your time.
