I am a 30 year old guy who is looking for new friends or group of friends around my age. I have been in a serious relationship for the past 5 years. I am now out of that relationship and have free time on my hands but now have a lack of a social life. I'm looking for interesting people who would enjoy going out to the bar for a drink or out to eat, I also enjoy things such as hiking, fishing, swimming, and playing or watching.
