Just looking for a small blond girl, all American, eastern European, maybe Australian, we are a small group of college kids, real cute girls running around the city hooking up with very successful older guys. Its discreet, no one will know what you are doing, thats part of the fun, the other part is running around naked in some random guys penthouse! try it, its just as much fun as what you do in the weekend but its tuesday night and you are going home with money!
