French Pastry Farm Table - Classic design built using traditional old world craftsmanship with mortised and tenon construction. Table is priced with a sustainable harvested Cherry table top, oak apron with molding details, and oak turned legs. All our furniture is handmade in Vermont from locally sourced reclaimed lumber or locally sustainable harvested - depending on species desired. Table price reflects a standard 72"L x 36"W x 30"T sized table. Wood species and dimensions can be altered to match your needs and space. Paint and stain is chosen based on customer's preferences. More photos available upon request.

Tao Woodworking is dedicated to creating strikingly unique furnishings from locally sourced reclaimed, recycled, and sustainable harvested wood. Custom pieces available; prices vary depending on size, style, and wood species desired.
