Are you of Mixed Native American Ancestry (having at least ONE Native American ancestor)?

If you answered YES, then visit our website <http://www.UnaTribe.org>.

The Oregon House of Representatives is currently voting on a House Concurrent Resolution to recognize our tribe within the State of Oregon. We are also in the process of signing treaties with two MÅtis Nations and one Native American Tribe.

With more than 1,000 Enrolled Members and growing, the Una (ooo-nuh) Nation of Mixed-Bloods; we were founded by a group of Native American Mixed-Bloods, so that people who are unable to enroll with their Ancestral Native American Tribes, either due to not knowing which tribe or because their Blood Quantum (amount of Native American blood) is too low (1/8th, 1/16th, 1/32nd, etc. . .) to be accepted into their ancestral tribes.

The Una Nation accepts you for who and what you are; a mixed-blood. No matter how distant your Native American ancestry goes (i.e. 1600's, 1700's, etc. . .), we accept you and your ancestry into our tribe as a FULL MEMBER. We do not have Blood Quantum rules and regulations, nor do we make you prove your Native heritage, because most times, there is no proof . . . no documentation to show your Native heritage (due to social stigmas, intermarrying, moving away from the area, etc. . .)

We are supported by Senator Jeff Merkley of Oregon and Mayor Kitty Piercy of Eugene, Ore. In the past 10 years, we have enrolled 1,000 Kyrock and 1,000 original members to our tribe. More

MEMBERS are continuing to join.

If you are of Mixed Native American Ancestry (having at least ONE Native American ancestor), then visit our website <http://www.UnaTribe.org> where you can find information about obtaining

membership with us.
