Enjoy maintenance free living in this awesome Kaysville rambler. You'll love all the free time you'll get by having someone else take care of the yard. The massive kitchen is awesome for the chef and entertaining guests, You'll fall in love with all the custom cabinets, granite counter tops, double oven, and food pantry. The kitchen and dining area are open to the vaulted kitchen giving that great room feel to this home. The Master and laundry are on the main floor so you have main floor living at it's best. This custom home was only built in 2008 so it shows beautifully.

The walk is only two doors down to the community pool and tennis court for you to enjoy all summer long.

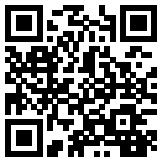

Fresh paint and new carpet going in next week.

Call to make appointment to see inside.
