Dream Vacation

My loss is your gain, while home on leave from US Army I won a fabulous vacation among other things on a TV game show. This is a 7-day, 6-night vacation to the US Virgin Islands (St. Thomas) with round trip airfare for two, premium lodging and all transfers included from any major US city. Rental car is included if you want it. The package will be done through Orbitz. You'll be staying at the beautiful Ritz-Carlton (a Marriott property) in a ocean front suite with balcony. Go to their web site and check the suites out...really nice. These suites are almost \$1000 a night and club access included as well. I can't go because travel must be completed by 12/31/2015 and I'll be gone. I tried to sell back to game show but that isn't allowed. They said I could gift or transfer the vacation to a 3rd party or donate to a charity of my choice. I have to let them know by May 10th so they can get the details to Orbitz and so everything will be in your name. Also included is \$1000 Marriott gift card to use at the resort for food or whatever. They said the value was over \$11,000. I'm selling for \$5500. You can pay half now and the other half when everything is confirmed with Orbitz or you can pay all now. You can start booking June 1st if I get your name to them by May 10th. Remember, it has to be used by 12/31 of this year. Please no scammers or BS...no international shipping, no checks, no money orders. Bank to bank transfer only or verified cashiers check. Thanks.!
