Green Earth PC.

In puyallup is offering a chance for you to get rid of all your old computers, parts, phones, printers, cables, etc for FREE as well as a 10% discount to go toward your purchase of any computer system we have or repairs you may need.

all you have to do is bring by your old junk thats collecting dust and take a look at all the systems we have.

We also repair! if you have a system you love its just running slow. bring it by for a free diagnosis, we will give you an estimate of what it will cost to get it back to running smoothly, & your documents will not be lost, we can transfer them right over for you,

Have any questions?  
 give us a call at

Or feel free to stop by our shop mon-fri 9am to 7pm, sat 10am-6pm  
 10305 139th ST CT E , suite D3 Puyallup, Washington 98374
