I am a single mom with a five year old in need of a vehicle. I work part time and I will be starting school in the fall. I'm not a lazy person but right now I just don't have money to buy a car I can make weekly payments for a vehicle up to 1500. you can hold a title, but I need a vehicle for my part time job, to take my son to school, to take him to his medical appointments, and go to the grocery store. If someone anyone is willing to help - and yes I'm begging please call me at

I have a valid drivers license I have auto insurance I can make weekly payments. At this point I need a car thank you for taking the time to read
