Hello there, I understand how stressful things can get with all of your obligations and little time for yourself. I can help! Take a small bit of time out of your busy schedule and find some peace of mind. With over 10 years experience I'm classically trained in Swedish Massage modalities. I can also do deep tissue and stretching. I can tailor your massage to your needs. I can provide you with a safe, comfortable quality soothing massage and environment at a very affordable price.... (normally \$60 per hr)

please call to make your appointment.
