2004 Vette vert, auto, 60k miles, HUD, New AC Delco battery, Goodyear F1 EMT tires and brakes have 12k miles on them, tinted windows, never smoked in or around. Factory Bose system with single cd.

My car is mechanically stock. I've owned this about 3 years. I'm looking to move and really don't need to take the car with. It's a beautiful Vette, well cared for, and NEVER abused. It's clean, tight, and solid.

Serious inquiries only. No joy riders or tire kickers. If you have to 'drive it to see if I like it', then don't contact me as I know how the game is played. If you have to talk to 'the bank, girlfriend, boyfriend, husband, wife, cat, next door neighbor, 3rd cousin twice removed', then do so BEFORE contacting me.

I'm not here to waste my time. I'm not trying to be a dick, I just don't have time for the.
