

SAHM Full Time and Summer break positions open (Maryland HeightsPattonville dist.

Location **Missouri**
<https://www.genclassifieds.com/x-435256-z>

Hi! I have full and summer break positions available immediately. We live in Maryland Heights in the Pattonville school district. When I went back to work after my daughter was born, I could not believe how many interviews I went through with unqualified, uncaring in home daycare providers. I found it impossible to find someone that I could trust with the most important thing in my life, my children. Not being satisfied with the choices I had available to me, I made the decision I was done with the 12 hour days, I quit my job to raise my kids. Staying home has been the most satisfying job I have ever had. Picking a childcare provider is a pain staking process, and most of the people I interviewed, were nothing like what there ad stated. I'm just a regular mom, I don't have any fancy degrees in child psychology but, what I can offer your child is a safe, loving and fun place to go every day. I have a huge playroom with a gazillion toys, books and movies and a big back yard to play in on those sunny warm days. We do lots of crafts, practice our ABC's , 123's, and often walk to the park. I also send you lots of pictures throughout the day, so you can see all the fun we are really having. If you are unable to stay home with your children and you want the next best thing, call text or email me anytime at Thanks, and I look forward to hearing from you.
