This is an amazingly nice Formula cruiser. Wrapped and stored dry and covered every winter. It has only seen freshwater since 2006. Dual freshwater cooled 496's means this boat moves!

The owner takes exceptional care of this boat. Serviced every season, oil changes regularly. The current owner is the second owner, the boat had 75 hrs when he bought it in 2006.

All the extras work. A/C works great, the icemaker will fill from empty overnight. This boat is ready to be enjoyed!

INFORMATION ON CONDITION

This boat is in near-showroom condition. Super clean and exceptionally well cared.
