

x0024375000 LAND (175. USD)

Location **New Hampshire**
<https://www.genclassifieds.com/x-435342-z>

VIEWS - Do you want the White Mountain National Forest as your backyard? Here is your opportunity: 175+ acres of land in Twin Mountain, NH bordered on 2 sides by WMNF! Beautiful views throughout the property and many trails for hiking, hunting and snowshoeing. A connector snowmobile trail runs through property. This is the perfect parcel for building your very own private retreat. Or maybe you're looking for a large parcel for development, there's plenty of gravel on property to build roads. Either way the price is only \$375,000! Possible short term owner financing with approved credit.

Also for sale: abutting 5-acre parcel with sweet 3 bdrm/1bath home in move in condition - Live in this home while you build your dream home on Sweet Spot (see)!
