

Small Landscape Job (Nashua)

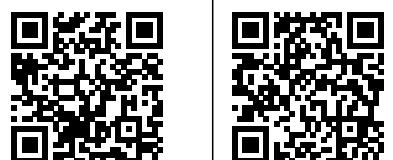

Location

New Hampshire<https://www.genclassifieds.com/x-435355-z>

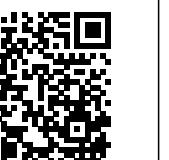

I live in Nashua and have a small area in my front yard (1,400 sq/ft) that was damaged by grubs. I am looking for someone who does hydro seeding or has an alternative that can give me a quote. I have attached pictures and if you are interested please reply.
