I'm looking for an apartment for my daughter and I. I work in downtown Manhattan for a Media/Advertising firm. My daughter lives with me during the school year and she lives with her dad during the summer, she is 15 years old. I'm temporarily living with my parents in Great Kills. We're both very quiet and very clean. I'm looking to move by June 1st. I can pay up to \$1000/month I'm looking to move on the South Shore preferably Eltingville, New Dorp, Great Kills etc. Please email me with any info. Thanks.

Thanks,  
Jennifer
