

need help with Ford 8N tractor (Rougemont)

Location **North Carolina**
<https://www.genclassifieds.com/x-435562-z>

I have a 1954 Ford 9N that won't start/run. I was trying to replace the rotor etc and can't figure out how to replace new one. Need someone experienced with older tractors to make repairs for me.

Thank you,
