Seeking a VERY attractive girl for consistent fetiš work. This is a NON sexual, non-nude gig. Fun and easy. You don't have to have experience with fetiš work but must have passion to learn. Please send a few CLEAR photos of your face, and body. Along with an introduction. A bit about yourself. Where in Philly you are located. Your age. Your availability in the afternoons and evenings during the week and weekends. And please send a contact number to reach you on. If you cannot easily make it to Center City Philly at least 5 times a week, this gig is not for you. It is part-time work, but you must have reasonable availability. Only serious reply.
