Home Worker with internet skills needed (Philadelphia)

Location **Pennsylvania** https://www.genclassifieds.com/x-435716-z

Our expanding company is looking for a talented worker from home who is self motivated and who is able to promote our product over the internet. If you are interested be sure to reply at the top button. The company services are the best in its niche. You must also have an internet connection in order to spread the word of our company. To be successful, a background in sales can be helpful. You are paid weekly (Fridays) though direct deposit. The benefits the company has to offer to the new customers are also second to.
