

Busy Small Biz Owner Needs Housecleaning and Light Laundry (Southampton, PA)

Hello,

I'm a busy small business owner who lives alone and I need help keeping up with housecleaning and light laundry.

I say light laundry because I'm usually pretty good with doing it myself, but I would like for the person to help with any laundry that remains while she (or he) is here to do the cleaning.

Please do not contact me if you are uninterested in doing some light laundry work.

I think I will need someone once a week for a few weeks and then go to every-other week.

Also, I would like the person to be local, within a 10 mile drive.

Additionally, my next door neighbor is in a similar situation and looking for similar services. If we can come to an agreement, you will most likely have another customer next door.

Please call or email me if you are interested.

Thanks!

-Rob
