Location **Pennsylvania** https://www.genclassifieds.com/x-435723-z

I am looking to have my resume rewritten and polished. Some of my resume is already done, so this project is going to involve some rewriting and a lot of polishing. I need my resume done in a PDF file and a Word document. Also, I would like a cover letter done as well. I do need someone who has expertise and experience in resume writing. I am offering \$65.00 for this job. Please email me with any questions. Also, do not email me and tell me you just took a course in resume writing. Serious replies only!!
