I'm looking to expand my horizons with the type of photos I take, and I'm looking for people who want to try something different. I would like to try to make those who don't always feel good about themselves, and make them look and feel good. I have a picture in mind with a plus-size female, showing off her features in a sexy way. NOTE: This is not a nude photo, and no nudity would be required. This is completely professional.

I would be able to pay you a little something for your time (\$30-50), and you'd also get a gallery of your photos.

If interested, please send me a clear, full length photo of yourself, your location, and please indicate why would like to try something like.
