I am looking for someone technical and knowledgeable on using an IPAD. You will be teaching someone else how to use an IPAD. You must be responsible and patient as the gentleman has late stage's of Parkinson's. This job/gig will be up to 10 hours over 5 visits. The job pays \$20 an hour either by check or PayPal which ever you prefer-since I am not local. Please feel free to email me with any questions regarding the job. Perfect for a student who needs some extra money! Hours should be pretty flexible. Thank You! If you email me an I think you are the right candidate I will put you in touch with the gentleman that you will be assisting. If it is a good fit, there may be more small jobs in the future helping!
