

# Need a RoomGarageCouchFloor (Clackamas)

Location **Oregon**

I just need a very inexpensive place to live. Anything from a small room to a floor to put an air mattress on will do fine.

I can afford up to \$200 a month, but less would be better.

I work at McDonald's and take one class at Clackamas Community College.

I promise to keep my room/area clean and not make too much noise.

I can help do dishes, garbage, cleaning, even errands like getting groceries.

If you have any questions let me know. I appreciate any opportunity for affordable living.  
 Thanks,
